Some Further Details

Our policies are stated below. If you believe we are falling short of these in any way, we encourage open and honest feedback and suggest you try an informal conversation with a club member first, who will hopefully be able to guide you to the correct person. If you feel a more formal approach is appropriate, these are documented in our "Complaints and Disciplinary Procedure" and "Safeguarding Policy", both of which are available on the [club documents](#) page of our website.

Hampton Pier Yacht Club respects the rights, dignity and worth of every person and will treat everyone equitably within the context of our sport, regardless of religion or belief, gender reassignment, sexual orientation, sex, pregnancy & maternity, marriage & civil partnership, disability, race, and age.

Hampton Pier Yacht Club believes everyone should have the right to enjoy their sport in an environment free from the threat of discrimination, victimisation, intimidation, harassment and abuse. We will deal with any incidence of discriminatory behaviour seriously, according to our disciplinary procedures and will ensure that equity is incorporated across all aspects of our development.

Hampton Pier Yacht Club acknowledges and adopts the following UK Sport statement for sports equality:

"Equality is about recognising and removing the barriers faced by people involved or wanting to be involved in sport. It is about changing the culture of sport to one that values diversity and enables the full involvement of disadvantaged groups in every aspect of sport".

Hampton Pier Yacht Club will ensure that anyone participating in club activities will be:

- Able to participate to the full extent of their own ambitions and abilities
- Assured of an environment in which their rights, dignity and individual worth are respected
- Assured of participating in an environment in which individual differences and the contributions of all participants are recognised and valued.

Hampton Pier Yacht Club believes in advancing equality of opportunity between people who share a relevant protected characteristic and people who do not share it by:

- Removing or minimising disadvantages suffered by people due to their protected characteristics
- Fostering good relations between people who share a relevant protected characteristic and those who do not share it.
- Embedding good diversity and inclusion practice into our decision-making processes

Hampton Pier Yacht Club does not tolerate the misuse of our social media platforms in ways that is contrary to our commitments. However, we recognise that in many cases there are honest differences of opinion as to what is appropriate, and we encourage the use of informal processes to resolve issues. Serious or repeated misuse will result in disciplinary action.
