# Get Involved with your Club

Hampton Pier Yacht Club depends on members volunteering their time and talents to enable sailing and social events to take place. To operate successfully, the Club needs every member to perform at least two duties, thereby spreading the load across the membership. Please indicate below duties that you or other Club members within your family are able to undertake next season. Please be assured that where necessary training will be available; if you are willing to give your time we will give you the support.

If you are unable to volunteer at this time please feel free to contact a member of the GMC during the season when you know what you would like to do. Also please let us know if you have any relevant qualifications (e.g. RYA Power Boat)
